

BREATHING AIR COMPRESSOR SYSTEM **TCOM-13H**

OR

BREATHING AIR COMPRESSOR SYSTEM **TCOM-25H**

BAUER
COMPRESSORS

A heavy-duty frame manufactured by BAUER assures a sturdy foundation for all pressure bearing components and provides years of service for its intended duty rather than commercial units adapted for the fire service. The enclosure encompasses all of the system components including a 13 SCFM or 25 SCFM charge rate four or five stage 6000 PSI compressor.

All Images Shown with Optional Features
